## NEWS:

Howdy All,

This is DAGs first newsletter! Hopefully it'll give you some info that you don't already know. DAG opened it's doors last year and published it's first game, Death Cup, on Halloween 2010. The initial run of Death Cup was 500 copies with 100 expansion copies. We just recently sold the 150th copy of Death Cup!

We finally have DAG T-Shirts up for sale on the site. Sizes range from medium to 3X-large. The order was quite large so we have a ton of them.

DAG has attended 3 gaming conventions this year; ConnCon, MEPACON, and finally GenCon. We've been spreading the word and getting the game played. Its been a fun ride so far! DAG held the 1st ever Legendary DrunkAssParty at Scotty's Brewhouse in Indianapolis, IN. Many thanks to Scotty's GM, Dave for making the Legendary DrunkAssParty possible! We had a blasty blast hosting both Death Cup and beer pong tournaments, along with many other drinking games! Some of us DAG'ers went a little nuts awarding gold coins to party go-ers who were epically awesome. The end of the night held many drunken prize wheel spins in exchange for the gold coins. The demon spinners kept getting free T-Shirts, Death Cup Coffins and a Scotty's gift certificate! Congrats to all who won free DAG Swag! Sport it with pride friends!
