### NEWS:

Hello DrunkAssGamers!

Gen Con 2014 is almost upon us. Along with the LDAP IV running both Friday and Saturday nights at the glorious RAM, we have a ton of other events this year. Wednesday night we will be at the RAM doing free demos of Death Cup (it's sold out, but feel free to drop by and join in!) Thursday night we are taking our drunken gamitude over to the Granite City Brewery where we will be playing Firefly, Battlestar Galactica, and then of course more Death Cup until they kick us out (tickets are still available). Friday during the morning we will be playing some dry Death Cup (bring the kiddies). Saturday and Sunday, we will be trying out a new game "I, Spy", which will be coming to a kickstarter near you very soon, so come out and be one of the first to play this bad ass game.

The Legendary DrunkAssParty IV shall be glorious; our good friends at Loot Corps LLC, makers of DrunkQuest, will once again be rockin' it with us. The RAM brewery is where we shall feast and drink until the wee hours. Truly the Gods will smile upon us this Gen Con! Woouooooooooooooo! Huzzah! Shazaaam!

**ALL HAIL THE DEATH CUP!!!**

**ATTENTION!!!** Many attendees have yet to fill out their dining choices form. Please go here: [LINK](#) to do so, or email us with your choices at [contact@drunkassgames.com](mailto:contact@drunkassgames.com). If you know of anyone who has yet to fill out the form, please get on their ass about it!
