### NEWS:

Hello DrunkAssGamers!

Soooo... Gen Con 2014 ended... a while ago. I kinda didn't send out a newsletter, so don't stab me :/. Gen Con 2015 is about to start, so I thought I'd send one out now! At Gen Con 2014, we had two sessions of the Legendary DrunkAssParty IV, in which lots of people did lots of things! One glorious woman did more things than other people and she was crowned most epic champion of the party! We were unable to judge the winner basely on their merits, so we decided to gather a few friends and battle it out with a final game of Death Cup. DeAnna came out ahead. Sadly we did not film it this time...

See the next two pages for our epic gallery of winners.

We had over 200 people experience Death Cup over Gen Con 2014.  
Thank you to everyone who attended The Legendary DrunkAssParty IV.

We look forward to seeing all of you at Gen Con 2015 for the LDAP V!!!

PS whatever ya do, don't stab anyone...  
PPS better later than never... amirite???
